A Word From Your President, *Kathy Miller*

Dear Members,

This is my last letter to you as the President of WSFCCA as we hold elections soon for new officers. I will still be connected with all of you in a couple of different ways.

I continue to be concerned about providers with all of the changes happening regarding WACs, MERIT, Early Achievers, and so on. If providers are not connected with other providers, it's **very** hard to navigate all of those changes on your own.

Between submitting your annual required paperwork to DEL, getting yourself and assistants registered in MERIT, making certain you are in compliance with the new WACs, deciding whether or not to participate in Early Achievers, keeping up with trainings and such if you are in Early Achievers, keeping up to date on the bills being introduced in Olympia regarding child care; it's very overwhelming for some providers and that's totally understandable. As small business owners, we have much work to do on a daily basis!

Since I will no longer be involved in WSFCCA, please email me if you have any questions about the above information.

I wish you all peace, happiness, and a full childcare!

Kathy Miller, President WSFCCA

REMINDER

As of July 1, 2013, all licensed child care providers are required to submit portable background check application in MERIT.

Go to Page 11 in this newsletter for more information.

Linda Brehmer Speaks Out

Dear Members,

It has been a pleasure serving on the WSFCCA board for the year I have served. Getting to know the board members on a personal level and working together has been an experience I will never forget. Volunteerism in this association requires dedication and many hours of commitment that only when you are in this position do you really understand the history of this organization.

I believe that this organization can only continue to survive if membership steps up and volunteer to continue to do the work those of us leaving have begun. It is also a concern of mine that our numbers are declining and it takes networking and connecting to grow and thrive as an organization. It takes being open minded to new ideas and all working together to begin to grow membership back to where it once was.

This association began many years ago in 1974 because of isolation and needing to connect providers to what is going on State wide with our businesses and with the licensing department. We once had a membership in the 1000's and it has continued to decline with each year. I believe this is due to members leaving the field, being closed down by licensing and members just not interested in participating in this volunteer organization.

I leave after having served many years on committees, conferences, and newsletters. It has been a pleasure and fun. I encourage members to stay connected in any way you can, through this association or on the email support group. The world is changing and social media is the way of the future for getting information current and fast. Much success to all of you and wish you all the best.

Linda Brehmer
WSFCCA Vice President

Should I Save My Tax Records for 7 Years?

There is a widespread rumor that family child care providers should save their tax records for seven years. I've heard this at workshops I conduct across the country. But, it's not true. The general rule is that you should keep your tax records for three years - not seven years!...

Tom Copeland, March 2013

A Glimpse Into WSFCCA Chapter Events

North Snohomish—The North Snohomish Chapter had a five hour merit approved class in December 2012. We have not set up class yet for another 5 looking for teachers at a low cost so providers don't have to pay extra for classes. This has been hard.

Benton Franklin—The Benton Franklin Family Child Care Association is planning a retreat for members for Fall, 2013. A planning dinner party (meeting) is scheduled for Friday, May 24th, 2013, 6:00p.m. at Lorri Hope's home. The renewed theme for the association is networking and fun. The focus is how to renew and relight the sparkler in each of us. We look forward to hosting the WSFCCA Board of Directors meeting June 22, 2013 and invite all members to come. Richland will be celebrating the 20th Annual Cool Desert Nights that weekend for some additional fun and information go to <http://www.cooldesertrnights.com> for a weekend long custom and **classic car show** with cruises, poker runs and night street dances (Friday and Saturday Night **Street Dances** at Jack-sons Sports Bar and Grill \$10.00 for weekend wristband or \$8.00 at the door.) Please contact Lorri Hope at lorri.hope1@frontier.com or 509-627-1692 for more information. Hope to see you soon, BFFCCA

Thurston—Thurston County Family Child Care Association has been hosting monthly focusing on making connections and getting information out to our members. We meet at different restaurants, try out the cuisine and spend time talking about daycare issues having to do with individual problems and the direction of DEL. We also send out a newsletter that highlights different educational information and tips on activities to do with children and the latest on feeding nutritional meals to children. Our members have access to Gee Whiz Educational material for children.

Sky Valley—The Sky Valley Chapter will be having Cheryl Iverson, M.Ed, from the VOA teach a class on Observations and Assessments on Tuesday, **April 16**, 2013. Core Competency Content Area III: On-Going Measurement of Child Progress-Level 1. This is a MERIT -approved training. The class starts at 6:45 p.m. and is at the Sultan Fire Station, just off highway 2 in Sultan. For more information or to register for the class, please call Nancy Dalen at 360-568-5377, or email stormlakedaycare@aol.com. The class is 2 hours and costs \$20. On Tuesday, May 21st, we will be having an Early Achievers Orientation presented by the Child Care Aware Opportunity Council. Providers can come to learn more about the program and to help them decide if they would like to participate. We will also be having our fire extinguishers checked.

Columbia River—CRFCCA in Vancouver is hosting a 2 Hr STARS training on May 13th which will be presented by Lydia Rich. This class teaches providers the importance of using music to build self esteem and social skills. Lydia will focus on providing appropriate, stimulating and developmentally challenging ideas using music. Our April training, Play Therapy in the Child Care Environment was presented by Susan Bernt, LICSW and Child Psychologist. Clark County Association hosted this training and made it available at no charge to Columbia River members. Child Care Aware will host a training for Columbia River regarding the Myths around Early Achievers as well as a MERIT training to answer questions from providers on issues they may have navigating and inputting into the MERIT website. Columbia River has opened this training up to Clark County and the SWWFCCA at no charge. \$10.00 for all others.

South Snohomish—The meetings have been very interesting. Since we no longer are STARS approved training organization, we have gone back to the "good old days" of networking with the members who attend the meetings. We have discussed what is going on with them; how various licenser are interacting with us, parents, children and all the varied activities that go on in the day to day lives of the exceptional In-home Child Care Provider in are area.

How can we draw in the new providers? This is an ongoing process and so far we have just come up with the ideas and have not implemented any of them.

Understanding Early Achievers *by Caroline Shelton*

There is a lot of information circulating about Early Achievers. Unfortunately sometimes it is hard to sort out the facts from the myths. Early Achievers is a big and complex system, and it is also a new model for all of us to get used to. So it is natural to have a lot of questions and even at times be confused (or even frustrated?!)

One of our main jobs at the seven Child Care Aware of WA regional offices is to make sure the licensed child care community has accurate information about Early Achievers. We want providers to be able to make informed choices about whether or not to join. I will admit we *are* somewhat biased because we believe Early Achievers is a **powerful opportunity** for providers to be recognized for your efforts to provide high quality care to children and families. At the end of the day, though, it is *your* choice to participate.

Below are a few facts about Early Achievers:

Early Achievers is part of a national movement in early learning

- Currently there are close to 30 states with fully implemented Quality Rating and Improvement Systems, which is what Early Achievers is. The remaining states are developing or designing QRIS, but haven't fully implemented yet. In this respect, WA is not unique! In fact, much of our design came from lessons learned by states that came before us.

Early Achievers is a voluntary program

- Providers who choose not to join can still successfully run child care businesses. In fact, financial supports such as child care subsidies, the career lattice education awards and training reimbursement are still available to all providers.

Some resources are only available to Early Achievers participants

- The goal of Early Achievers is to be able to invest deeply in programs that join, recognizing that joining is an investment of time, and a commitment to quality improvement. In-depth technical assistance, higher education scholarships, coaching and quality improvement awards are available to participants.

Early Achievers has no fees or required financial expenses

- Participation is free. In fact there are many resources available to participants including free STARS trainings, free technical assistance, free money (QI awards) and coaching. It's important to note that as is the case with any program giving away free money, there are rules about how the money can be spent. The guidelines are rather broad, though, and there are many ways you can use the awards to invest in your business.

There is something for everyone who joins Early Achievers

- From the time you join, you have access to free trainings, scholarships for professional development and in-depth technical assistance from our staff. Our TA Specialists have supported participants in all kinds of ways, including with completing activities in MERIT, submitting educational records, accessing scholarships, doing program self-assessments and much more. We provide support onsite at your program, by phone and e-mail, individually and in groups. The ultimate goal of our TA services is to help you achieve a quality rating that you will be proud of.

Below is contact information for all of the 7 Child Care Aware of Washington regions. The staff in your region is your best source of information about Early Achievers. They have worked with providers like you for many years and are very receptive to your questions no matter what kind! Give them a call or attend an orientation to find out more.

New WSFCCA Networking Chat Group

Chris Price suggested at the April 20th WSFCCA State Meeting that a networking chat group for WSFCCA members be put into motion. The Board of Directors approved her idea and we now have a new networking group. This chat group will be a wonderful tool for:

- Washington Family Child Care Association information and updates
- Public Policy information and updates from Sue Winn
- SEIU information and updates
- DEL and WAC information and updates
- MERIT and EA Updates
- Chapters will be able to post information about their meetings, STARS trainings and other events.
- Statewide Conference information
- Highlights from the WSFCCA State Meetings
- The Conference Committee will be able to keep members informed and updated on the 2014 WSFCCA Conference
- Members can network together and share information
- Statewide Referrals
- Members can also invite other licensed providers to join this group. What a great way to grow membership!
- and much more

Invitations are being sent out now or you can go to the following web address and ask to join:

<http://groups.yahoo.com/group/WSFCCAAssociation/> Contact Joan Aarts for more information. aartsrags@hotmail.com

REMINDER *from Sue Winn*

All providers must be registered in MERIT by July 1. If you cannot figure out how to do this you should contact your Licensor or Child Care Aware for help. Remember you must register yourself and your facility. This is in WAC so you will be out of compliance if you do not complete this.

**The June 22, 2013 WSFCCA Board of Directors Meeting will be hosted by the
Benton-Franklin Chapter in Richland, WA**

**LOCATION: Richland Public Library, 955 Northgate Dr, Richland, WA 99352
Conference Room A and B**

Breakfast will be served at 8:30 AM

Meeting will begin at 9:00 AM

COST: \$10.00 for Continental Breakfast and Lunch

RSVP: Lorri Hope, lorri.hope1@frontier.com or 509-627-1692

WSFCCA State Meeting Highlights

Thank you to the Snohomish Chapter for hosting the April 20, 2013 Board of Director's Meeting in Everett, WA. Below are some of the highlights from this meeting.

Welcome Pierce Association! In February the Family Child Care Association of Pierce County affiliated with WSFCCA and was officially announced at our April 20th meeting.

Pierce will be working with us on Public Policy, receiving WSFCCA Newsletters, have the ability to purchase our Accidental Medical Insurance, reduced Conference fees along with support and networking statewide. Welcome Pierce!

BYLAWS PASSED

The newly proposed WSFCCA Bylaws reached their final review and vote at the April 20th meeting. By a unanimous vote the Board of Directors placed the new WSFCCA Bylaws into effect on 4/20/2013. A big thank you to the Bylaw Committee for all of their hard work!

Members will be receiving the new Bylaws shortly! They will also be posted on the WSFCCA website.

www.wsfcca.com

SEIU UPDATE by Linda Ramuta

SEIU 925 has been very busy this year with getting our bill sponsored and watching the legislation regarding child issues and childcare bills. There are 3 bills to watch closely: HB1671, SB5595, and HB1723. These bills are doing quite well and have bipartisan backing. They are called Children First Bill. The components are: 10% Working Connections Subsidy Rate Increase, 5% Working Connections Subsidy Bonus for each child enrolled in Early Achievers, Program and Administrative Improvements and Efficiencies, Consumer and Provider Bill of Rights and Oversight Board, Expanded Educational Opportunities for Parents, and a Legislative Task Force that would include Legislators, DEL, DSHS, Providers, and SEIU, plus other stakeholders to recommend long term improvements.

These bills may need your help. If you get a notice from our union or any association group to call your representatives, it will give you some talking points and then just state those points and any you want to personally tell to the legislative hotline for your representatives. The hotline asks for your address and name to relay your message to your Senator and Representatives. Legislative Hotline: 1 800 562-6000. Bills can change very quickly so watch for notices.

ELECTIONS

Ballots will be emailed out by May 20th. Instructions on where to send your ballot will be included in the email. Members that do not have email will be mailed a printed ballot via USPS.

It is still not too late to nominate a member for one of the four board positions or submit your name to the Nominating Committee if you are interested in running.

WSFCCA Board Elections

In June 2013 we will be holding elections for the four WSFCCA Executive Board positions. Below are bio's from three candidates that are running for the positions of President, Vice President and Secretary. We are still looking for a member to run for the position of Treasurer. If you are interested in running or would like to nominate a member for any of these four positions please contact the Nominating Committee. chrissplace@comcast.net

PRESIDENT

Christine Price

I have been taking care of children since 1982 when my daughter was 2 years old. Like many providers it was my way of staying home with her and bringing in an income. I became licensed in 1989 when my son was 4 years old. Since that time I have been involved in one way or another with Washington State Family Child Care Association and my chapter South Snohomish County Family Child Care Association.

As a member of S.S.C.F.C.C.A, I was the Secretary, for 2 years and then became the President of our chapter. I have taken on some of the responsibilities of the State Representative for my Chapter and report to our members what happened at the quarterly State meetings.

As a working member of WSFCCA I was Vice President for one term. I have helped with 3 conferences, been on various committees. Currently I am on the Nominating Committee and am very involved in the By-law and Standing Rules re-write; along with being the parliamentarian.

As a childcare provider I made the decision to go back to school and get my Associate Degree in Early Childhood Education. I learned about a scholarship, Washington State Scholarships for Child Care Professionals, at a state meeting. This scholarship gave me the opportunity to go back to school and I graduated last June, with my Associates degree in ECE.

For the last 20 years I have been involved in a very unique program that is affiliated with Edmonds Community College, the Child Care Providers Preschool Cooperative. I am the current Chairperson for the Cooperative. Throughout my years as a member of this Cooperative I have held the position of Chairperson 4 times. This is one of the ways that I network with other providers, teachers and the local community college. Attending the preschool is a great learning experience; for the children and me.

Christine Price

VICE PRESIDENT

Pam Carino

I am a single parent of 2 adult boys. I have also been a resident of Washington for my whole life.

I started my child care career as a Nanny in my early 20's; from there I went into Family Child Care for 7 years while living in Burien. I then moved to Renton where I have continued as a provider for the past 21 years.

When my boys were young and involved in Cub Scouts I was Committee Chair of 2 different packs. I helped set up and run district wide day camps and within these camps I set up mini camps for the siblings in order to get more mothers involved. This was a huge success.

I am a member of my local elementary school's PTA and am on the Steering Committee of my Neighborhood Association. I also served on the Steering Committee for the relocation of the Renton City Library.

Last May I received my second CDA.

I joined WSFCCA 28 years ago when I first opened my child care. At that time my chapter was South King County Family Child Care Association (SKFCCA); I served as Treasurer for several years and then was President. When SKFCCA folded I joined South West King County Family Child Care Association (SWKFCCA). I have been the Treasurer and State Rep for SWKFCCA for several years. Some of my duties include keeping track of and encouraging membership, sending out monthly fliers, putting together and sending out any correspondence that is needed; along with assisting the other board members with arranging for STARS classes; I also do the inputting on MERIT so class attendees get their credits.

I keep up on the WAC's and what each WAC means so that I can help other providers understand them. I have also gone to other chapters as a guest speaker regarding the WAC's.

I have experience putting on mini conferences along with helping with 2 WSFCCA conferences; plus I am on the 2014 WSFCCA conference committee.

I am very interested in what direction WSFCCA is headed and the progress we need to make. I feel that with my experience I will be a valuable asset to an all new executive board.

Pam Carino

SECRETARY

Katie Reading

Hello, my name is Katie Reading. I'm seeking the position of secretary for WSFCCA to help give back to a valuable association that has provided networking, support and professional growth for me.

I'm married to Brad and together we have 5 adult children and one GRAND-girl.

I live in Mill Creek Washington and I've been doing daycare since September 1987, licensed since August 1990.

I've been actively involved in the Snohomish County Family Child Care Association from the early 90's. I was the chair for the Sunshine Committee (greeting, remembering birthday's, writing thank you notes to guest speakers, etc), Newsletter Committee, Phone Committee, Referral Committee, Secretary, originally Vice President and then unexpectedly inherited position of President when "The President" had to resign due to a TB scare. After getting acclimated to President I continued to be the President off/on over the years. I also was Co-Chair for the 2005 State Conference. Currently, I'm Co-President of SCFCCA.

Some of my favorite things I enjoy are spending time with my family and two dogs, boating, relaxing at our beach home on Whidbey Island, baking with my family/grand girl and reading.

Please vote for me, I look forward to meeting many of you and working on your behalf.
Or please save me and run against me. Wink

Katie Reading

Family Child Care Association of Pierce County Affiliates

The FCCAPC board and members voted to affiliate with the WSFCCA. We look forward to affiliating and working together for the benefit of providers in Washington State. A bright new future awaits the WSFCCA with voting in a new board and welcoming the FCCAPC. If you would like to learn more about FCCAPC go to: www.fccapc.org

The Family Child Care Association of Pierce County

Public Policy *by Sue Winn*

It has been a very busy time for Early Learning. As you may know there are two bills going through legislation at this time. The bills are changing daily. We are still pushing a 10% increase in subsidy and an extra 5% for Early Achievers. However this amount moves in and out of the bill. Let your legislature know how important this is to maintain quality.

I am also serving on a new committee about the Merit system. We are taking a look at what works and what doesn't. This group was formed by DEL. We are looking at Trainers as well as the entire system. If you have thoughts and concerns let me know.

ELAC is also looking at changing the input to ELAC by including the Regional coalitions into the scope of ELAC. Also Bette Hyde has brought forth her agenda for the next year for input. These will be the focus of our efforts. If you have areas that you feel we need to take a look at - again please let me know.

I know that this is not very definitive, but as things are changing daily I will give a more specific and to date report at the State meeting.

Please feel to contact me at any time.

Sue Winn

Public Policy Chairman

Revised Family Home Child Care Rules for Carbon Monoxide Detectors

The Department of Early Learning (DEL) has revised rules in Washington Administrative Code (WAC) 170-296A about carbon monoxide detector requirements in family home child care settings. The revisions will align DEL's family home child care rules with the existing requirements in 19.27.530 RCW, and WAC 51-51-0315. DEL filed permanent rules on April 9; the rules take effect May 10. [View the permanent rules on DEL's website.](http://www.del.wa.gov)

MERIT Participation Award

Did you know that you can receive \$100 for your participation in the Career Lattice?

The Participation Award is awarded when your employment in a licensed program has been verified.

Verified

Licensors will verify employment for licensees.

In Addition Licensees and Staff/Volunteers can also receive an \$100 to \$500 award by submitting and updating your educational information obtained through December 31, 2012.

Career Lattice Information: <http://www.del.wa.gov/requirements/professional/merit.aspx>

To submit STARS approved training certificates that do not already appear on your MERIT record you may use the Professional Record Request [MERIT Professional Record Request](#) along with the certificate (1 completed request can cover more than one certificate). **Be sure to make copies of everything you submit for your own file.**

To receive credit for high school, GED, college coursework, degrees, certificates (CDA, MACTE or CSEFEL) and or credentials you must submit an Education Application through MERIT under the applications tab. This process will instruct you where to send original documentation.

Once you have updated your Educational Information and your training record you can submit a Career Lattice Education and Participation award through the applications tab on MERIT.

There is a limited amount of monies in the Race to the Top grant to cover these Awards so apply as soon as possible as the process may take some time. Call your licensor or MERIT if you need assistance.

Complete MERIT Portable Background Check Applications by June 30

As of July 1, 2013, all licensed child care providers are required to submit portable background check application in MERIT. You must complete this process in MERIT even if your background check is still current. All online applications must be completed by June 30, 2013.

If your current background check expires before July 1, 2013, you need to complete the portable background check before its expiration date. If you are 16 years or older and do not complete your portable background check before the expiration date, you will be required to complete the fingerprinting process.

For more information about the rules and/or the portable background check process, please contact your local DEL licensing office.
